While we are very hopeful we will be able to gather together on October 2, 2021, your safety remains our priority. We are planning a live event, with tables socially distanced per CDC guidelines and all guests will be required to wear masks when not eating or drinking. Should safety risks increase, we will present the utmost in quality entertainment in a private broadcast (virtual) celebration event with upscale catering beginning at the Haven level, delivered to your door.

## TAX CREDITS

If you own a Missouri business, farm or rental property, you may qualify.
