

Apartment Sponsorship Program

Overview

Become an apartment sponsor and make a direct impact at Community LINC. Apartment sponsors play a crucial role in helping families begin a path from homelessness to permanent housing. An annual sponsorship of \$5,000 covers the cost of furnishings, home goods, utilities, and general maintenance. Each year many families, seeking to break free from the cycle of homelessness, live in Community LINC's transitional apartments. Your sponsorship ensures that these families can live comfortably while engaging with our programming to learn new skills, increase employability, and work to save 50% of their income.

Contribution: \$5,000/\$2,500

Sponsorship Duration: 1 year/6 months

Recognition

All sponsors will be recognized on our website and social media, as well as in our annual report. Sponsors will receive updates on the impact of their sponsorship in the form of resident, program, and company reporting.

Sponsor Opportunities

Sponsors will be notified when a new family enters the sponsored apartment and are responsible for organizing any in-kind donations for the family in the sponsored apartment.

Organizations are encouraged to volunteer in both our apartments and programming. If interested, the sponsor organization will be contacted first when apartment-specific volunteer opportunities arise (ex. Apartment preparation).

Please reach out to volunteer@communitylinc.org to organize a volunteer outing.
